2023-06-18	1730	History	Finding Home	Premiere	Finding Home	0			Finding Home is a short-form documentary following an Afghan refugee family who are trying to create a home for themselves in Australia. It's a story that emphasises strong themes of compassion, reflected in Melanie Morrison's decision to give her departed mother's house to the family when they arrived in Australia. Through first-hand interviews with Zia, Melanie and the family's English teacher Marie, the film highlights the simultaneous joys and tribulations that arise when settling into a completely new culture. It allows an intimate lens to the often misunderstood experience of being a refugee by going straight to a family who are living this reality.	AUSTRALIA	English-100	2022	G		Y			
2023-06-18	1735	History	Weeks Of War	Final Episode	Weeks Of War Series 1 Ep 8	01	8		By January 1945, the end of the war finally seemed in sight. The once formidable Nazi War Machine lay in ruins. Within Nazi Germany, Allied victory was all but assured. But on the Eastern Front, in the Pacific, and even in Western Europe many challenges still lay ahead. In this episode we see the events that occurred during the weeks of the Yalta Conference, the assault on Okinawa, the fall of Berlin, and the destruction seen after the dropping of the first two atomic weapons over Hiroshima and Nagasaki. We end in the week that the Nuremberg trials begin. The weeks of war became weeks of reconstruction, they became weeks of cold war, and weeks of fighting to end colonial rule. And they became the weeks that hundreds of millions remembered all their lives - weeks of suffering, weeks of comradeship, weeks of making do, weeks of fear, of love and loss - weeks of war. In Peru, 350km south of the capital, Lima, in the valley of Nazca, one can see from the sky gigantic figures representing stylised animals - a hummingbird, a monkey, a spider, a whale, as well as spirals and lines that are several kilometres long. These figures were nicknamed the 'lines of Nazca', and much of its history is yet to be discovered. Who drew these lines? How, and why? What is represented by these drawings and what is their meaning? From the first explorations to the most recent discoveries by archaeologists, this documentary aims to lift the veil on the mystery of the Nazca lines.	FRANCE	English-50; French-50	2022	PG		Y			
2023-06-18	2040	Culture & Society	Saving Venice		Saving Venice	0			Venice is one of the most iconic cities on the planet, its location driving its economic prosperity whilst leaving it vulnerable to floods. The first settlers drove wood piles into the lagoon's soft mud, making it strong enough to bear weight, a technique which supports the entire city. Samples from 1000-year-old piles show how the mud slows down the water's rotting of the wood, but increasingly frequent floods pose a new threat. Faced with losing their city to climate change, Venetians are turning to revolutionary engineering, restoration of the natural environment and knowledge from their past. Only by using multiple approaches can they hope to save Venice.	UNITED KINGDOM	English-70; Italian-30	2022	RPT	G	Y		Y

2023-06-19	2030	History	The Real Spies Among Friends	Premiere	Real Spies Among Friends, The		0	The real story behind the hit drama series A Spy Among Friends starring Damian Lewis and Guy Pearce - this stand-alone documentary on Kim Philby and his fellow traitors who met at Cambridge reveals the worst spy ring in British history. From Cold War Washington to contemporary Moscow, Beirut backstreets to the salons of Buckingham Palace, the story is as gripping as any thriller. Kim Philby, Guy Burgess, Donald Maclean, and Anthony Blunt were born to privilege, recruited as sleeper spies for Moscow at Cambridge University in the 1930s, and then insinuated themselves into almost every arm of the British secret state where they were able, without suspicion, to leak secrets to Soviet Russia on an industrial scale - their old school ties effectively blinding the British and US establishments to the traitors in their midst. The film shows how from D-Day to the atomic bomb, they kept their masters in Moscow informed. How despite finally being unmasked they never faced justice - instead slipping the closing net and escaping to Moscow or in Blunt's case being allowed, to avoid a scandal, to carry on as a top adviser to the Queen herself! And how Philby had 'no regrets' for the victims he sent to their deaths.	UNITED KINGDOM	English-100	2022				Y
